

## WHO'S WATCHING YOUR WALLET?

The Western Connecticut Area Agency on Aging will present information on "**Medicare Fraud and Abuse and Scams**" at the places listed below.

Have you ever been puzzled over all that information in your **Medicare Summary Notice**? You know— the statement of charges that the government sends you from time to time. Are you being billed for services you didn't receive?

Are you concerned by the kinds of **scam and abuse** that are directed at **seniors like you**? Would you like to acquire the sort of know-how you can use to **DEFEND YOURSELF?**

Attend one of these presentations given by Dawn Macary, Senior Medicare Patrol. Learn "**NOT be a Target, protect what's in your wallet**".
