

2024 CHOICES New Team Member Trainings

CHOICES, Connecticut's State Health Insurance Assistance Program (SHIP), is accepting applications for our 2024 New Team Member Trainings.

CHOICES is part of a national network that offers free, confidential counseling, education and assistance to Medicare beneficiaries, their caregivers and the general public. CHOICES is administered by the Department of Aging and Disability Services State Unit on Aging in Partnership with Connecticut's five Area Agencies on Aging and the Center for Medicare Advocacy, Inc.

- ❑ CHOICES training is free for volunteers and \$125 for in-kind (paid) professionals.
- ❑ Training participants will complete an orientation session, 6 half days and 2 full days of training, sign a Memorandum of Understanding, and take an online certification exam.

Training topics include: Medicare Parts A, B, C and D, Medigap, eligibility, coverage, costs, appeals, coordination of benefits, transitions from other insurance, and cost assistance programs for low-income beneficiaries, including MSP, LIS and Medicaid. Training manuals will be provided.

Expectations of CHOICES Team Members: willing to learn, compare and explain various Medicare options, provide enrollment assistance through the Medicare Plan Finder tool, assist low-to-modest income beneficiaries to apply for cost assistance programs, report your work monthly and attend quarterly update trainings. *Please note individuals who may have a conflict of interest such as insurance agents or brokers are unable to participate in the trainings.*
